## STUDENT LIFE AT MONASH

Monash helps students settle into university life by providing an extensive range of support programs and services, many of them designed specifically for international students. For more information visit [monash.edu/students](https://monash.edu/students)

### Airport pick-up service

Commencing students can pre-book our free airport pick-up service prior to arriving in Melbourne. [monash.edu/study/international/preparing/reception](https://monash.edu/study/international/preparing/reception)

### On-campus accommodation

On-campus accommodation gives you a convenient, safe and enjoyable living environment. Living close to campus facilities ensures easy access to classes, libraries and university life. It's also a great way to concentrate on your studies, and become part of a community of people also committed to their courses.

You become a part of the programs, activities and pastoral care we offer. It is a secure environment created by a 24-hour Monash security presence, and the costs are highly competitive with all rooms fully furnished.

Places fill quickly, so you should apply for accommodation as early as possible at [monash.edu/mrs](https://monash.edu/mrs)

### Off-campus accommodation

The Monash Residential Services (MRS) off-campus accommodation service provides guidance, information, resources and advocacy to students of Monash University. The service assists with accommodation-related matters including:

- how to source appropriate accommodation
- tenancy legal information on what tenants need to know prior to and during their tenancy
- support with any difficulties experienced with landlords, agents or housemates. [mrs.monash.edu/offcampus](https://mrs.monash.edu/offcampus)

### Orientation

Our orientation service incorporates a series of programs to help students adjust to a new country and the Monash University environment.

[monash.edu/orientation](https://monash.edu/orientation)

### Academic support

During your studies, you have access to academic support programs to improve written and oral expression, reading, listening and note-taking skills. Tutors are available to guide advanced students through research methodology, conference presentation and the best way of submitting academic papers.
