SIMON FRASER UNIVERSITY
ENGAGING THE WORLD

The **Master of Business Administration (MBA or M.B.A.)** is a master's degree in business administration (management). The MBA degree originated in the United States in the early 20th century when the country industrialized and companies sought scientific approaches to management.

The core courses in an MBA program cover various areas of business such as **accounting, finance, marketing, human resources, and operations** in a manner most relevant to management analysis and strategy. Most programs also include elective courses.
